BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION SPECIALIZATION IN ACCOUNTING

ADMISSION CRITERIA

- Recognized General Education Diploma or its equivalent.
- English proficiency equivalent to IELTS 5.5 or TOEFL-IBT 65.

Applicants who do not have official IELTS or TOEFL scores are required to take MCBS English Placement Test. Based on the scores obtained in this test, students are allowed to begin their credit courses or register in the foundation program.

PROGRAM OVERVIEW

The BSBA in Accounting builds upon a strong liberal arts foundation and comprehensive core of business courses. Students get a learning experience which balances accounting theory and practical applications with integrated computer techniques. Students will learn how the profession of accounting analyses and measures business activities and how it organizes data into reports for decision makers.

- Degree is endorsed by the University of Missouri, St. Louis (USA).
- The program will also help to prepare for professional qualifications like CPA, ACCA, or CMA.
- Internship.
