

**MODERN COLLEGE OF BUSINESS AND SCIENCE  
COLLEGE CLINIC & WELLNESS SOCIETY**

**Accomplishment Report – Co-Curricular Activities  
AY 2022-2023**

**I. Purpose**

This report describes the activities and accomplishments of the College Clinic & Wellness Society for the School Year 2022-2023 for Co-curricular Activities.

**Program Description**

The Oman Cancer Association and Kims Hospital are having a month-long campaign to raise awareness about the impact of Breast cancer. The College Clinic & Wellness Society are joining them in holding activities on campus to raise awareness about the impact of breast cancer. To educate those concerned about the disease, including early identification and signs and symptoms associated, and to nurture and build a community of support.

**II. Activity**

**Breast Cancer Awareness Month 2022  
Theme: "Living Beyond Breast Cancer"**

**III. Objectives**

- Encourage health promotion among the students
- Display sportsmanship during the competition
- Stimulate their mind in preparing for the artwork design
- Motivated to join a club to have extracurricular activities that will balance with their academic tasks.

**IV. Participants**

- MCBS students who are enrolled during Fall 2022

**Activities**

1. Free Consultation & Counselling from specialized Doctors from Kims Hospital
