

Estidama: Sustainability Center Committee Structure

Whose guiding vision it is to become a leading center for sustainability in the region, Estidama operates under five strategic perspectives: Education, Staff & Faculty Engagement, Student Engagement, Campus Practices & Operations, and Community & Global Engagement. These pillars ensure the integration of sustainable practices across all facets of the college.

The initiatives are managed under the leadership of the Head of the Sustainability Center who reports directly to the Dean of MCBS and is structured as follows.
