MCBS Environment Club collaborated with EFP Oman on November 27th, 2022, for recycling paper. EFP Oman is involved in recycling paper and carton boxes. The company agreed to come and collect paper from the college at regular intervals. This paper would be shredded and converted into pulp which would later on be used to make egg trays. The Environment Club members along with their Supervisor Ms. Anitha Nair held talks with the company to ensure timely recycling of paper at regular intervals.
