Mission

The Mission of Modern College of Business and Science is to facilitate learning and growth in knowledge, skills, innovation, and technical know-how that will best serve the community in the 21st Century.

Vision

To be a prominent institution of higher education in the region.

Core Values

MCBS distinguishes itself by being fair, open and ethical. Our core values guide our academic programs, policy and practice towards the fulfillment of our vision and mission.

Fair

MCBS encourages equal opportunity, quality, and professionalism.

Open

MCBS believes in freedom of expression and academic enquiry.

Ethical

MCBS supports ethical and religious values, and endeavors to preserve the Omani heritage.
